EXCLUSIVE NEWS TODAY

BSZ GOES TO THE FUTURE

THANK YOU!

BSZ would like to wish all the students, parents, and family members a fun and exciting holiday. We will see you all again in May! Enjoy your holiday!

Term 3 at BSZ starts on 2 May 2016. Mark your calendars!

This week, students finished their last round of exams. For all your child's scores, please contact us.

Yesterday, the students at BSZ looked to the future! More specifically, they came to school dressed in the clothes of their future jobs.

"We had a whole variety of costumes," science teacher Mr. Jacob said. "There were doctors, pilots, teachers... even a spy."

This wasn't the only special celebration for the last week of Term 2. Wednesday was Twin Day, and today is Rainbow Day, where every class must wear a different color.

Students from lower primary brought some very professional outfits to school. In the photo, you can see all the students who chose to come as pilots, businessmen, and presidents. For more photos of all the outfits, please visit our website and Facebook page.

NURSERY LEARNS OUTSIDE THE CLASS

The youngest students at BSZ are discovering new things every day. Last week, they learned about the difference between heavy and light. To make sure they understood, their teachers Miss Zahra and Miss Fatma took them outside for a simple experiment.

"We had pools of water and lots of small objects," Miss Fatma explained. "Some were heavy, like stones, and some were light, like plastic toys. For this age, it's important to use different types of learning. Our students learn by singing, dancing, experimenting, and all sorts of other activities."

YEAR 5 AND 6 STUDENTS: THE GREAT DEBATORS

In the end, Year 5 took home the grand prize. "We won," said Sulhiya, one of the Year 5 debaters. "It was a really good debate. I hope we can keep the trophy for next time."

This week, Swahili teacher Miss Asha combined the Year 5 and Year 6 classes to let them compete in our first monthly debate.

"Both classes talked about which job is better: doctors or teachers," Miss Asha explained.

To honor her enthusiasm and speaking ability, Maryam (Year 5) received the Best Speaker award.

The next debate will be in May. It will be between Year 5 (the current champions) and Year 4. So far, the topic is a mystery, but the debate will be in English.

A SPECIAL PERFORMANCE COMES TO THE BSZ STAGE

BSZ for a very important presentation. ACT NOW! INTERACTIVE THEATER FOR CHANGE is a group of performers who work with primary schools, using comedy, music, and puppets to teach children about the environment.

**GET READY!
GET SET!
RECYCLE!**

"Their show was really funny!" Maryam (Year 4) explained. "I liked it a lot. Everyone was laughing."

After the show, students were able to answer questions about littering, animals, and all the little things you can do to protect the environment.

"It was a good idea," said Rhys (Year 2). "I hope we have more shows next term!"

YEAR 3 BOOK RECOMMENDATIONS

This week, Brian read *Buster Makes the Test* by Marc Brown.

"I just read a really good book called *Buster Makes the Test*. It's all about school work and how to get good grades. At first, Buster fails his test, but when he takes the test again, he passes! How does he do it? You have to read the book!

"I liked this book, because it's really good. Buster's friend Muffy is very funny. If you like books that are funny and have good ideas, you should read *Buster Makes the Test!*"

Brian (right) stands with his pilot brother Brighton (Year 1).
